Kavitha's Story

'My dream is to be a secondary school teacher one day'

Kavitha lives with her father and two sisters in Puthupattu village, Tamil Nadu. Her mother passed away and her father works hard as a farmer, but they are left with financial difficulties to support the family. Kavitha always wanted to be a teacher but without the funds, was unable to pursue her dream.

Kavitha joined the Indian Futures Student Sponsorship Programme in 2019, was able to study and complete her Bachelor of Arts and is now training to become a teacher!

Supporting girls' education enables them to break through the cycle of poverty, equipping them with essential skills to transform their lives.

Spoken Word, Sarees and Bollywood hit Brighton!

Indian Futures will be having an afternoon of fun-filled activities at Manor Road Gym on Saturday 18th November.

Beginning with saree draping with Poppy Jaman, mental health advocate and saree enthusiast, followed by spoken word from Trustee and poet, Alanna McIntyre. The afternoon will end with a Bollywood dancing class from Kate Adams.
