Thank you, Laura

After a year sharing her yoga practice, her wisdom and peaceful aura, yoga teacher Laura Sterry will be leaving us...
But only for a short a while!
We'll let you know as soon as Laura's sessions return.

Until then, best of luck, Laura, and thank you so much for your amazing dedication to our cause!

Laura's online yoga sessions have been an integral part of Indian Futures activities in 2021

Introducing you to... Harriet

Hi! I'm Harriet, and I am a student at the University of Sussex studying International Development and Arabic. I am helping to develop and write Indian Futures policies, currently focusing on our volunteering policy. It has been very insightful to look into this area and learn about how policies are created and developed.

Discover the best version of yourself

Let's find it together!

Workshop by David Bernal CLC
#powerbeingtogetherwelimitless

Discover the best version of yourself is the first of a series of workshops organised by the Positive Impact Movement (pimov.org), where Life Coach David Bernal took us through a journey full of self-exploratory questions, and magical surprises...

Thank you so much for your wisdom and kindness, David!

Futuraula Speaks

I'm Esther Macià, a new member of Futuraula and a 4th year student of Tourism. During the pandemic I've been a volunteer at the town Hall of my city helping the seniors and currently I am a volunteer at a food bank. So seeing that I like helping people I've decided to be part of this wonderful team.

Our first fundraising action this year is our famous Christmas Raffle, which will be held on 16th December. There will be 4 winners! If you are interested in buying tickets, contact futuraula@euroaula.com. Futuraula has many other activities waiting for us!
